

Aflac Group Accident Insurance

Accident protection made for you.

Underwritten by:
Continental American Insurance Company (CAIC)

In California, coverage is underwritten by
Continental American Life Insurance Company.

This plan does not contain comprehensive adult wellness benefits as defined by law.

Just because an accident can change your health, doesn't mean it should change your lifestyle too.

Accidents can happen in an instant affecting you or a loved one. Aflac is designed to help families plan for the health care bumps ahead and take some of the uncertainty and financial insecurity out of getting better.

Protection for the unexpected, that's the benefit of the Aflac Group Accident Plan.

After an accident, you may have expenses you've never thought about. Can your finances handle them? It's reassuring to know that an accident insurance plan can be there for you in your time of need to help cover expenses such as:

- Ambulance rides
- Emergency room visits
- Surgery and anesthesia
- Prescriptions
- Major Diagnostic Testing
- Burns

Plan Features

- Benefits are paid directly to you, unless otherwise assigned.
- Coverage is guaranteed-issue (which means you may qualify for coverage without having to answer health questions).
- Benefits are paid regardless of any other medical insurance.

How could an accident impact **your lifestyle**? The average cost of a broken leg is up to **\$7,500**.*

What could a broken leg cost you?

- **Felony** – participation in a felony

For 24-Hour Coverage, the following exclusions will not apply:

An injury arising from any employment.

An injury or sickness covered by worker’s compensation.

DEFINITIONS

Accidental Injury means accidental bodily damage to an insured resulting from an unforeseen and unexpected traumatic event. This must be the direct result of an accident and not the result of disease or bodily infirmity. **A Covered Accidental Injury** is an accidental injury that occurs while coverage is in force.

A Covered Accident is an accident that occurs on or after an insured’s effective date while coverage is in force, and that is not specifically excluded by the plan.

Ambulatory Surgical Center is defined as a licensed surgical center consisting of an operating room; facilities for the administration of general anesthesia; and a post-surgery recovery room in which the patient is admitted and discharged within a period of less than 24 hours.

Dependent Child or Dependent Children means your or your spouse’s natural children, step-children, grandchildren who are in your legal custody and residing with you, foster children, children subject to legal guardianship, legally adopted children, or children placed for adoption, who are younger than age 26. Newborn children may be automatically covered from the moment of birth

for 60 days. Newly adopted children may also be automatically covered for 60 days. See certificate for details.

Doctor is a person who is duly qualified as a practitioner of the healing arts acting within the scope of his license, and is licensed to practice medicine; prescribe and administer drugs; or to perform surgery, or is a duly qualified medical practitioner according to the laws and regulations in the state in which care is received.

A Doctor does not include the insured or an insured's family member.

The term **Hospital** specifically excludes any facility not meeting the definition of hospital as defined in this plan, including but not limited to:

- A nursing home,
- An extended-care facility,
- A skilled nursing facility,
- A rest home or home for the aged,
- A rehabilitation facility,
- A facility for the care of alcoholism or drug addiction, or
- An assisted living facility.

Spouse is an employee's legal wife, husband, or partner to a civil union.

Telemedicine Service means a medical inquiry with a doctor via audio or video communication that assists with a patient's assessment, diagnosis, and consultation.

Treatment is the consultation, care, or services provided by a doctor. This includes receiving any diagnostic measures and taking prescribed drugs and medicines. Treatment does not include telemedicine services.

Urgent Care is a walk-in clinic that delivers ambulatory, outpatient care in a dedicated medical facility for illnesses or injuries that require immediate care but that are not serious enough to require a visit to an emergency room.

Common Carrier means:

- An airline carrier that is licensed by the United States Federal Aviation Administration and operated by a licensed pilot on a regular schedule between established airports;
- A railroad train that is licensed and operated for passenger service only; or
- A boat or ship that is licensed for passenger service and operated on a regular schedule between established ports.

Hospital Intensive Care Unit means a place that meets all of the following criteria:

- Is a specifically designated area of the hospital called a hospital intensive care unit;
- Provides the highest level of medical care;
- Is restricted to patients who are critically ill or injured and who require intensive comprehensive observation and care;
- Is separate and apart from the surgical recovery room and from rooms, beds and wards customarily used for patient confinement;
- Is permanently equipped with special life-saving equipment for the care of the critically ill or injured;
- Is under close observation by a specially trained nursing staff

assigned exclusively to the hospital intensive care unit 24 hours a day; and

- Has a doctor assigned to the hospital intensive care unit on a full-time basis.

The term **Hospital Intensive Care Unit** specifically excludes any type of facility not meeting the definition of hospital intensive care unit as defined in this plan, including but not limited to private monitored rooms, surgical recovery rooms, observation units and the following step-down units:

- A progressive care unit;
- A sub-acute intensive care unit; or
- An intermediate care unit.

Psychiatrist is a doctor of medicine who specializes in the diagnosis and treatment of mental disorders.

Psychologist is a clinical, mental health professional who works with patients. A psychologist is not a doctor of medicine who typically provides medical interventions and drug therapies, but provides analysis and counseling.

Rehabilitation Facility is a unit or facility providing coordinated multidisciplinary physical restorative services. These services must be provided to inpatients under a doctor's direction. The doctor must be knowledgeable and experienced in rehabilitative medicine. Beds must be set up in a unit or facility specifically designated and staffed for this service. This is not a facility for the treatment of alcoholism or drug addiction.

Total Disability or Totally Disabled means you are:

- Not working at any job for pay or benefits,
- Under the care of a doctor for the treatment of a covered accidental injury (or a covered sickness if applicable), and
- Unable to work.

Unable to Work means either:

- You are unable to work at the occupation you were performing when your total disability began, which was during the first 365 days of total disability; or
- You are unable to work at any gainful occupation for which you are suited by education, training, or experience after the first 365 days of total disability.

YOU MAY CONTINUE YOUR COVERAGE

Your coverage may be continued with certain stipulations. See certificate for details.

TERMINATION OF COVERAGE

Your insurance may terminate when the plan is terminated; the 31st day after the premium due date if the premium has not been paid; or the date you no longer belong to an eligible class. If your coverage terminates, we will provide benefits for valid claims that arose while your coverage was in force.

Notice to Consumer: The coverages provided by Continental American Insurance Company (CAIC) represent supplemental benefits only. They do not constitute comprehensive health insurance coverage and do not satisfy the requirement of minimum essential coverage under the Affordable Care Act.
